

MANUFACTURERS WE PROUDLY REPRESENT

Air, water, HEPA,
HVAC & specialty
filtration products

Engineered liquid & dust
filtration products &
wound filter cartridges

Leader in automotive,
engine, & mobile
filtration solutions

Lubricant desiccant
breathers, conditioning
monitoring & visual oil
analysis

Custom energy
transfer products,
condensers & coils

Industrial air, liquid,
gas, fuel, or oil
filtration solutions

Durable valves
& actuators for
transporting liquids,
gases & solids

Custom Refrigeration
systems for agricultural,
commercial and
industrial applications

Specialty in-line
suction & tank strainers,
ss screens

Industrial filters,
separators, and
silencers

Engineered heating,
cooling, dehumidification,
and energy recovery
solutions

Water, waste & energy
management filters,
membranes, & pumps
